Independent Auditor's Report

To the Board of Directors
The Christmas Box International

Opinion

We have audited the accompanying financial statements of **The Christmas Box International** (a nonprofit organization), which comprise the statement of financial position as of June 30, 2021 and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of **The Christmas Box International** as of June 30, 2021, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **The Christmas Box International** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **The Christmas Box International** ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **The Christmas Box International's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **The Christmas Box International's** ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

THE CHRISTMAS BOX INTERNATIONAL

Notes to the Financial Statements
For the Year Ended June 30, 2021

1. ORGANIZATION

The Christmas Box International (the “Organization”) was incorporated under the laws of the State of Utah as a nonprofit corporation in 1998. The Organization provides funding and support services for shelters for abused or neglected children. The Organization also supports mental, emotional, and physical care for children in crisis in a home-like environment. In addition, the Organization, in partnership with local, national, and international communities and groups, provides assistance to prevent child abuse and to improve the quality of life for children who have been abused or neglected.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The Organization prepares its financial statements on the accrual basis of accounting and follows accounting principles generally accepted in the United States for nonprofit organizations and reports information regarding its financial position and activities according to two classes of net assets, with donor restrictions and without donor restrictions, based upon the following criteria:

Net assets without donor restrictions - Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization’s management and the board of directors.

Net assets with donor restrictions - Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or through the passage of time. Other donor restrictions are perpetual in nature, where by the donor has stipulated the funds be maintained in perpetuity.

All contributions are available for use unless specifically restricted by the donor. Restricted contributions received from donors are reported as with donor restricted or without donor restricted support and as an increase in the respective net asset classes. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is met), net assets with donor restriction are reclassified to net assets without donor restriction and reported on the statement of activities as net assets released from restrictions. Restrictions on contributions that expire within the same accounting period as receipt of the contributions are considered support without donor restrictions.

Recent Developments Related to COVID-19

The World Health Organization has declared the recent COVID-19 outbreak to constitute a “Public Health Emergency of International Concern.” The outbreak has caused business disruption through mandated and voluntary closings of various industry business operations. While the disruption is currently expected to be temporary, there is considerable uncertainty around the duration of effect of COVID-19. The related financial impact and duration cannot be reasonably estimated at this time.

THE CHRISTMAS BOX INTERNATIONAL

Notes to the Financial Statements
For the Year Ended June 30, 2021

2. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all highly liquid investments purchased with an original maturity of three months or less, and available for expenditure at the discretion of the Organization's management, to be cash equivalents.

Accounts Receivable and Promises to Give

Accounts receivable are carried at their estimated collectible amounts. The Organization's accounts receivable are generally short-term in nature; thus accounts receivable do not bear interest.

Accounts receivable are periodically evaluated for collectability based on past credit history with customers and their current financial condition. An allowance for doubtful accounts has not been established because management believes that all accounts receivable will be fully collectible.

Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give expected to be collected in future years are initially recorded at fair value using present value techniques incorporating risk-adjusted discount rates designed to reflect the assumptions market participants would use in pricing the asset. In subsequent years, amortization of the discounts is included in contribution revenue in the statement of activities. The Organization determines the allowance for uncollectible promises to give based on historical experience, an assessment of economic conditions, and a review of subsequent collections. An allowance for uncollectible promises has not been established at June 30, 2021 because management believes that all promises to give will be fully collectible.

Investments

Investments consist of marketable securities reported at their readily determinable fair values. Unrealized gains and losses are included in the change in net assets, less external and direct internal investment expenses.

Property and Equipment

Property and equipment is recorded at cost for purchased assets and at estimated fair market value at the date of acquisition for donated assets for assets with values greater than \$2,500. When assets are retired or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts and any resulting gain or loss is reflected in the statement of activities for the period.

THE CHRISTMAS BOX INTERNATIONAL

Notes to the Financial Statements
For the Year Ended June 30, 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Property and Equipment (Continued)

Depreciation is provided using the straight-line method, based on useful lives of the assets as follows:

<u>Assets</u>	<u>Useful Lives</u>
Buildings and improvements	15 to 27.5 years
Furniture and equipment	5 to 10 years

Long-lived Assets

The Organization evaluates its long-lived assets for any events or changes in circumstances which indicate that the carrying amounts of the assets may not be fully recoverable. The Organization evaluates the recoverability of long-lived assets by measuring the carrying amounts of the assets against the estimated undiscounted future cash flows associated with them. When future undiscounted cash flows of certain long-lived assets are not sufficient to recover the carrying amounts of the assets, the assets are adjusted to their fair values.

Fair Value of Financial Instruments

The Organization applies U.S. GAAP for fair value measurements of financial assets and liabilities. U.S. GAAP defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value should be based on assumptions that market participants would use, including a consideration of non-performance risk.

The estimated fair values of the Organization's short-term financial instruments – including cash, accounts receivable and accounts payable – approximate their individual carrying amounts due to the relatively short period of time between their origination and expected realization.

Contributions

Contributions are recognized when cash or an unconditional promise to give is received. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met.

In-kind Contributions

In-kind contributions are recorded as support at their estimated fair market value at the date of gift. These contributions are considered to be without donor restrictions unless restricted by the donor. Assets donated with donor-imposed restrictions regarding their use are considered net assets with donor restrictions until the asset is placed in service.

THE CHRISTMAS BOX INTERNATIONAL

Notes to the Financial Statements
For the Year Ended June 30, 2021

2. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

In-kind Contributions (Continued)

In-kind contributions received during the year ended June 30, 2021 consisted of the following:

Clothing, toys, and other program supplies	\$ 601,616
Donated facilities	<u>18,684</u>
Total in-kind contributions	<u>\$ 620,300</u>

The in-kind goods represent primarily the donation of materials that are provided to or consumed by participants in the Organization's programs.

The Organization recognizes contributed services only if the services received (a) create or enhance nonfinancial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation.

Functional Allocation of Expenses

The cost of providing programs and supporting services activities have been summarized on a functional basis in the statement of activities. The statement of functional expenses presents the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include salaries, payroll taxes, employee benefits, occupancy, and depreciation, which are allocated on the basis of estimated time and effort.

Advertising

Costs for advertising are expensed as incurred. For the years ended June 30, 2021, the Organization incurred advertising costs of \$26,892.

Income Taxes

The Organization is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code on the excess of revenue over expenses generated in the normal course of business. Accordingly, no provision for federal income taxes has been included as of June 30, 2021. The Organization remains subject to income taxes on net income that is derived from a trade or business, regularly carried on, and not for the exempt purpose of the Organization. In the opinion of management, the Organization does not have any unrelated business income.

THE CHRISTMAS BOX INTERNATIONAL

Notes to the Financial Statements
For the Year Ended June 30, 2021

2. SUMMARY OF ACCOUNTING POLICIES (Continued)

Income Taxes (Continued)

ASC Topic 740, *Income Taxes*, provides guidance on how uncertain tax positions should be recognized, measured, disclosed and presented in the financial statements. This requires the evaluation by management of tax positions taken or expected to be taken in preparation of the Organization's tax returns to determine if the positions are more-likely-than-not of being sustained if examined by the taxing authorities. Management has determined there are no uncertain income tax positions. Generally, tax years remain subject to examination for three years from the date filed.

Recently Issued Accounting Pronouncements

In March of 2016, the FASB issued ASU 2016-02, *Leases*, which requires all leases that have a term of more than 12 months to be recognized as assets and liabilities on the balance sheet at inception. A lessee would recognize a lease liability to make lease payments owed to a lessor (liability) and a benefit for the right to use the leased asset (asset) for the lease term. The recognition, measurement, and presentation of expenses and cash flows arising from a lease by a lessee would depend on whether the lessee is expected to consume more than an insignificant portion of the economic benefits embedded in the underlying asset. This new guidance is effective for fiscal years beginning after December 15, 2021. The Organization does not anticipate a significant impact on the Organization's results of operations, financial position, or cash flows as a result of this new standard.

In September of 2020, the FASB issued ASU 2020-07, *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*, which increases the transparency of contributed nonfinancial assets for not-for-profit entities through enhancements to presentation and disclosure requirements. The amendments in this update require organizations to present contributed nonfinancial assets as a separate line item in the statement of activities, apart from contributions of cash and other financial assets. Additionally, organizations are required to enhance disclosures by disaggregating the amount of nonfinancial assets recognized within the statement of activities by type of contributed nonfinancial asset and providing additional qualitative information for each disaggregated category. This new guidance is effective for fiscal years beginning after June 15, 2021. The Organization does not anticipate a significant impact on the Organization's results of operations, financial position, or cash flows as a result of this new standard.

3. LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the balance sheet date, comprise the following:

Cash and cash equivalents	\$	230,369
Accounts receivable		11,023
Investments		<u>214,352</u>
Financial assets available to meet cash needs for general expenditures within one year	\$	<u>455,744</u>

THE CHRISTMAS BOX INTERNATIONAL

Notes to the Financial Statements
For the Year Ended June 30, 2021

3. LIQUIDITY AND AVAILABILITY (Continued)

As part of its liquidity management plan, the Organization structures its financial assets to be available as its general expenditures, liabilities, and other obligations come due. In addition, the Organization invests cash in excess of daily requirements in savings and short-term investments.

4. INVESTMENTS AND FAIR VALUE MEASUREMENTS

Investments are stated at fair value and consist of the following as of June 30, 2021:

Cost basis of mutual funds	\$ 212,476
Unrealized gain	<u>1,876</u>
Total investments	<u>\$ 214,352</u>

Fair value is defined as the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. Inputs used to determine fair value refer broadly to the assumptions that market participants would use in pricing the asset or liability, including assumptions about risk. Inputs may be observable or unobservable. Observable inputs are inputs that reflect the assumption market participants would use in pricing the asset based on market data obtained from sources independent of the reporting entity. Unobservable inputs are inputs that reflect the reporting entities own assumptions about those that market participants would use in pricing the asset based on the best information available.

Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of inputs are as follows:

Level 1 – Valuations based on quoted prices in active markets for identical assets or liabilities that the Foundation has the ability to access. Valuation adjustments and block discounts are not applied to Level 1 instruments. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these products does not entail a significant degree of judgment.

Level 2 – Valuations based on one or more quoted prices in markets that are not active or for which all significant inputs are observable, either directly or indirectly.

Level 3 – Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

THE CHRISTMAS BOX INTERNATIONAL

Notes to the Financial Statements
For the Year Ended June 30, 2021

4. INVESTMENTS AND FAIR VALUE MEASUREMENTS (Continued)

Investment assets measured at fair value on a recurring basis as of June 30, 2021 are as follows:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds	\$ 214,352	\$ 214,352	\$ -	\$ -
Total investments	<u>\$ 214,352</u>	<u>\$ 214,352</u>	<u>\$ -</u>	<u>\$ -</u>

5. PROPERTY AND EQUIPMENT, NET

Property and equipment as of June 30, 2021 consisted of the following:

Buildings and improvements	\$ 1,646,580
Furniture and equipment	153,864
Land	<u>155,000</u>
Total cost of property and equipment	1,955,444
Accumulated depreciation	<u>(1,173,159)</u>
Total property and equipment, net	<u>\$ 782,285</u>

Depreciation expense was \$68,529 for the years ended June 30, 2021.

6. OTHER ASSETS

Other assets consist of the following as of June 30, 2021:

Timeshares	<u>\$ 9,900</u>
------------	-----------------

THE CHRISTMAS BOX INTERNATIONAL

Notes to the Financial Statements
For the Year Ended June 30, 2021

7. LONG-TERM DEBT

The Organization's long-term debt consisted of the following as of June 30, 2021:

Note payable to a financial institution, with monthly installments of \$4,631, including interest at 4.5%. Unpaid balance is due July 15, 2026. Secured by real property.	\$ 603,817
Note payable to a financial institution (through the Paycheck Protection Program); the note bears interest at 1% and is due and payable on February 12, 2026. Interest and payments are deferred until six months after receiving the loan. This loan is eligible for forgiveness if the Organization meets certain criteria. The Organization expects to meet the criteria for the forgiveness. The note is unsecured.	<u>54,480</u>
Total long-term debt	658,297
Less: current portion	<u>(38,914)</u>
Total long-term debt, less current portion	<u><u>\$ 619,383</u></u>

Future maturities of long-term debt are as follows:

<u>Years ending June 30,</u>	
2022	\$ 38,914
2023	42,337
2024	43,852
2025	45,431
2026	42,946
Thereafter	<u>444,817</u>
Total future minimum payments	<u><u>\$ 658,297</u></u>

Interest expense for the year ended June 30, 2021 was \$28,233.

8. RELATED PARTY NOTES PAYABLE

The Organization maintains a loan agreement with a board member and co-founder of the Organization. During the year ended June 30, 2021, this note was restated and approved at the February 9, 2021 board meeting. The note is currently non-interest bearing and due as funds are available. The note is secured by other assets. As of June 30, 2021, the balance of the note was \$1,349,642. Related accrued interest to the note was \$647,358 as of June 30, 2021.

THE CHRISTMAS BOX INTERNATIONAL

Notes to the Financial Statements
For the Year Ended June 30, 2021

9. NET ASSETS WITH DONOR RESTRICTIONS

Purpose restrictions for the Organization's net assets with donor restrictions are as follows:

Moab CBH	\$	6,353
Milestone Home		1,125
Salt Lake COR Office		800
Salt Lake Valley TAL		2,090
Ogden Kinship - K&G Farr		4,622
Safety Items Kinship Homes		973
Foster Family Resource Room - UV		900
DCFS WR Foster Parent Support		350
DCFS Western Region TAL Activities		2,808
DCFS Northern Region TAL Activities		2,336
DCFS Project Elf		7,112
		<hr/>
Total net assets with donor restrictions	\$	<u>29,469</u>

Net assets were released from donor restrictions for the year ended June 30, 2021 by incurring expenses satisfying the restricted purpose or by the occurrence of the passage of time or other events specified by the donors as following:

Satisfaction of purpose restrictions:		
Moab CBH	\$	918
Milestone Home		1,299
Ogden Kinship - K&G Farr		691
DCFS WR Foster Parent Support		70
		<hr/>
Total satisfaction of purpose restrictions	\$	<u>2,978</u>

10. RENTAL INCOME / LEASE

The Organization leases portions of its Ogden facility under an operating lease. The lease expires in June 2025 and requires monthly lease payments of \$8,250. Future minimum lease payments expected to be received under this lease are as follows:

Years ending June 30.

2022	\$	102,024
2023		105,048
2024		108,168
2025		111,408
		<hr/>
Total future minimum payments	\$	<u>426,648</u>

Rental income for the year ended June 30, 2021 was approximately \$208,540.

THE CHRISTMAS BOX INTERNATIONAL

Notes to the Financial Statements
For the Year Ended June 30, 2021

11. PROGRAM EXPENSES

Program expenses consisted of the following for the year ended June 30, 2021:

The Christmas Box Houses Support Services	\$ 1,094,849
The Christmas Box Resource Rooms	2,353
Project Elf/ Other	30,900
JourneyUP Mentor Project	<u>692</u>
Total program expenses	<u>\$ 1,128,794</u>

12. RETIREMENT PLAN

The Organization has a savings incentive match plan for employees of small employers (SIMPLE) retirement plan which covers employees who reasonably expect to receive at least \$5,000 in compensation during the calendar year. The employees may make salary-reduction contributions to the plan not to exceed \$12,500 annually. Participants who are age 50 or over at the end of the calendar year are eligible to make catch-up contributions up to \$3,000. For the year ended June 30, 2021, the Organization contributed \$2,569 to the plan. Other than plan contributions, the Organization has no other liability in connection with the plan.

13. CONCENTRATIONS OF CREDIT AND MARKET RISK

The Organization maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits of \$250,000. Management has not experienced any losses in such accounts. Management believes the Organization is not exposed to any significant credit risk on cash and cash equivalents.

14. COMMITMENTS AND CONTINGENCIES

The Organization may be involved in certain claims arising from the ordinary course of operations and has purchased insurance policies to cover these risks.

15. PRIOR PERIOD RESTATEMENT

During the year ended June 30, 2021, the Organization determined it was necessary to restate the balance of its related party notes payable along with the resulting accrued interest on the note. This restatement was reviewed and approved by the board of directors at the February 9, 2021 board meeting.

THE CHRISTMAS BOX INTERNATIONAL

Notes to the Financial Statements
For the Year Ended June 30, 2021

15. PRIOR PERIOD RESTATEMENT (Continued)

The restatement resulted in the following adjustments to the presented financial statement line items within the statement of financial position as of June 30, 2020:

	<u>2020</u> <u>(as reported)</u>	<u>Adjustments</u>	<u>2020</u> <u>(as restated)</u>
Accrued interest, related party	\$ 493,519	\$ 153,839	\$ 647,358
Related party notes payable	1,278,286	71,356	1,349,642
Total liabilities	<u>2,475,196</u>	<u>225,195</u>	<u>2,700,391</u>
Net assets:			
Without donor restriction	<u>(1,250,778)</u>	<u>(225,195)</u>	<u>(1,475,973)</u>
Total net assets	<u>(1,226,644)</u>	<u>(225,195)</u>	<u>(1,451,839)</u>
Total liabilities and net assets	<u>\$ 1,248,552</u>	<u>\$ -</u>	<u>\$ 1,248,552</u>

The restatement had no effect on the Organization's statement of activities for the year ended June 30, 2020.

16. SUBSEQUENT EVENTS

Subsequent events have been evaluated by management through the date of the independent auditor's report, which is the date the financial statements were available to be issued and noted nothing that would require disclosure.

Subsequent to yearend, the Organization refinanced its Wells Fargo loan. The loan is now through Sunwest Bank. The new principal balance is \$890,000 and payments commenced July 28, 2021. The loan requires monthly payments of \$4,372 a month with interest of 4.01%. Payments include principal and interest.

In August 2021, the Organization's outstanding PPP loan was forgiven. The total forgiveness amount was \$54,480.
