THE CHARITIES HISTORY & HIGHLIGHTS

This year we'll be raising money for three local charities. The Stone of Hope, Switchpoint and The Christmas Box International. Below is more information so you can learn how each charity is serving our community.

The Stone of Hope is located in West Valley City and serves minority youth boys living in poverty. They provide mentoring in a safe space to help these boys grow and learn as an alternative to joining gangs and lives of crime which makes all of our communities safer. Visit their website at www.stoneofhopeyouth.org

Switchpoint is located through out Utah and provides utah's homeless with more than food and shelter. Switchpoint Community Resource Center is a stepping stone to independence for individuals experiencing homelessness. A switch point is a mechanism on a train track that with a little bit of a turn sends the train in a completely different direction. Switchpoint offers tools to get life back on track for those who need it most. Learn more at www.switchpointcrc.org

The Christmas Box International works to prevent child abuse and defend children through a culture of universal diversity, inclusion, and love. We partner with local, national, and international groups to improve the quality of life for children, teens, and young adults who are victims of abuse, neglect, trafficking, or are facing homelessness. Learn more at www.thechristmasbox.org

This year "Tee Off For Shelter" is proud to be able to help raise donations for these three amazing charities that are serving our communities. Thank you for your support.
