

# Christmas in July

## Safety Isn't Seasonal!

Every child deserves a childhood.

This summer, you can make a difference for children in crisis. While many kids enjoy carefree summer days, children arriving at the Christmas Box House often come with nothing but the clothes on their backs. Your gift will provide children in crisis with food, clothing, hygiene items, and other essentials, helping ensure they feel safe, cared for, and supported during one of the most difficult times in their lives.
